

## DESCRIPTION

The SWPAD-CHROME is a heavy duty padlock with options for a master key override (default) and can be supplied with a barrel exchange barrel to eliminate the need to ever destroy a padlock where the keys have been misplaced. It features an 8mm hardened steel shackle and is designed to fit into both the flush mount latch lock and the standard latch lock from Statewide Office Furniture.

## FEATURES

### Heavy Duty Padlock

- Master key override option available.
- Can be supplied non-masterable.
- Barrel exchange option available.
- Solid zinc alloy body.
- Colour: Chrome.
- Chromed 8mm hardened steel shackle.
